LOMPOC ROTARY OBSERVES WORLD POLIO DAY

October 24, 2018 was observed around the globe as “World Polio Day”.

In recognition of the work that Rotary International has done over the last 30+ years to eradicate polio, our fellow Rotarian and City of Lompoc Mayor Bob Lingl read a proclamation at the City Council meeting of October 16, 2018 declaring that October 24, 2018 be observed in the City of Lompoc as World Polio Day. Thank you Mayor Lingl for that proclamation.

The Club then held a “FunRaiser” on October 24th at Scratch Kitchen. Fellow Lompoc Rotarian Chef Augusto Caudillo graciously hosted the event and committed to earmark a portion of the evening’s proceeds to benefit Rotary International’s PolioPlus campaign.

This event drew Rotarians from other area Rotary Clubs as well as a visiting Rotarian from Nicaragua! Fun was had by all who attended.

Yours in Rotary Service,
Ed Braxton

CLUB HOSTS LOMPOC HIGH SCHOOL FOOTBALL TEAM & VISITORS FROM ROTARY CLUB IN MORELIA, MEXICO

As has become custom, the Rotary Club of Lompoc hosted Coach Andrew Jones and the Lompoc High School Football team. Coach Jones spoke about the team's challenges and successes. Each player introduced himself then an enormous amount of spaghetti was devoured.

During this meeting, we were honored to have fellow Rotarians from our sister district in Mexico – from Morelia, Mexico to be exact. Introduced by Past President Rob Klug, Edgar Hernandez Delgado spoke to the Club and was accompanied by his parents. They later presented Ed Braxton with a special Rotary pin as a token of their appreciation.
